To our supporters,

We have had several inquiries as to how parents and other interested friends of Duke Fencing can make monetary donations to be used by the fencing program for its current and up-coming projects.

The best way to donate funds that will be directed solely to Duke Fencing, is to donate through the Duke Varsity Club, with each donation earmarked for Fencing.

Through this avenue, we have been able to access discretionary funds for the creation of and additions to the fencing gymnasium, offsetting the expenses of hosting the 2006 NCAA Regionals, making improvements to our annual fencing meet and for other projects.

We are extremely grateful to have these funds available to us and find that they allow us the freedom to envision and strive towards growing and improving an outstanding program.

The mailing address is :

Thank you very much for assisting us in helping the Duke Fencing Program evolve and expand.

On behalf of everyone associated with the Duke Fencing Program,

Alex Beguinet
